Exequiel Pereyra

Software Developer

exe_135@hotmail.com

Summary

En búsqueda de crecimiento profesional, y personal adquiriendo el conocimiento y aptitudes necesarias para el desarrollo dentro del área de programación.

Specialties

Java, manejo de actividades administrativas, administración y mejora de procesos.

Experience

Software Developer at   VMN+

January 2015 - Present (1 year 4 months)

   Worked as Java Developer using these technologies: Java, Eclipse, PostgreSQL, Wicket, Spring Framework, Hibernate, MongoDB, Git, Maven. We used Scrum with reunions to the client.

External Counselor at   Consejo General de Educación

February 2014 - Present (2 years 3 months)

   Working as Project Leader and Developer in Java using REST. Also analyse the requirements, designed and implemented the solution, and the architecture of the system. Install the tools of the work and servers. Lead the team with the daily work, and helping them, implementing Scrum methodology.
   Main technologies used: Java, Spring, Hibernate, REST, Bootstrap, JQuery, HTML5, AngularJS, PosgreSQL, Apache Tomcat, Openshift. Agile methodology (Scrum)

Java Developer at   Hexacta

August 2011 - January 2015 (3 years 6 months)

   Worked as Java Semi Senior Developer using these technologies: Java, Struts, Maven, Oracle, JSP, XHTML, JQuery, CSS, Jasper Reports IReports, Spring MVC framework, AJAX, Web Services, Hibernate, HQL and Eclipse and JBoss.
   We used an Agile methodology, Scrum, to organize and keep track of the tasks.

Administrative - Systems at   Cruz del Sur Cooperativa

January 2010 - August 2011 (1 year 8 months)

   Acted as a Junior Java Developer implementing a system which sent sellers operations. Receives mails from the bank, extract all the important information, process and put in a database, and resent the email to the sellers who do the sell.

Main technologies used: Swing, SwingX, Eclipse, Maven, Hibernate, MySQL, JMS, NetBeans and Mozilla Thunderbird.

After I was in charge if the administration, operative decisions, sells control, coordinating a three member's team.

March 2014 to Present
Members:Exequiel Pereyra, Lucas Baranovic, Angel Mauricio Macor

Corepass
January 2013 to Present
Members:Exequiel Pereyra, Eloisa Colignon

Human Resource System
August 2011 to December 2012
Members:Exequiel Pereyra, Lorena Muzzio

Wealthforge
January 2015 to Present
Members:Exequiel Pereyra, Federico Martín Alconada Verzini

TreeDesigns Web
May 2015 to Present
Members:Exequiel Pereyra, Lucas Baranovic, Maxi Lombardi

Skills & Expertise

Delphi
Java
HTML
JavaScript
jQuery
CSS
MySQL
Network Design
Microsoft Office
JUnit
JSP
Struts
Struts2
Wicket
Computer Repair
Swing
JBoss Application Server
Tomcat

Spring Framework
AJAX
Hibernate
Oracle
JavaServer Pages
PostgreSQL
SQL
MongoDB
Scrum
AngularJS
Eclipse
Maven
Git

Education

Universidad Católica de Santa Fé
Bachelor Systems, Systems, 2011 - 2014

Universidad Tecnológica Nacional
Technician in Programming, Computer Programming, 2008 - 2010

Courses

Technician in Programming, Computer Programming
Universidad Tecnológica Nacional
Diseño Gràfico

....

Independent Coursework

Armado y Reparaciòn de PC

Diseño e Instalacion de Redes Informaticas

Node Js, el comienzo   https://www.acamica.com/c

Heroku   https://www.acamica.com/c

Git   https://www.acamica.com/c

Languages

Español   (Native or bilingual proficiency)

Inglés

Interests

Tecnología móvil, programaciòn
